TOWN WARRANT**THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Newton, N. H.,
qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, in said Town, on the second Tuesday of March next, at nine o'clock in the forenoon to act upon the following subjects:

1. To bring in your votes for Town Clerk, one Selectman for three years, Town Treasurer, Tax Collector, Auditor, Road Surveyor, Trustee of Trust Funds for three years, Constable, Cemetery Trustee for three years, Sealer of Weights and Measures, Measurers of Wood and Bark, and Surveyors of Lumber, Health Officers, Fence Viewers and all other necessary Town Officers and Agents for the ensuing year.

The following articles will be acted upon at seven-thirty o'clock in the evening of the same date:

2. To raise such sums of money as may be necessary for paying the Town debts and defraying the interest thereon, for the support and maintenance of the Public Library, and for other necessary charges arising in said Town.

3. To hear the reports of Town Clerk, Town Treasurer and Board of Selectmen to the Town Auditors, the reports of the Auditors, Agents, Committees, or the officers heretofore chosen or appropriated and to pass any vote relating thereto.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate \$400.00 for the control of the White Pine Blister Rust. (The State will furnish \$100.00 for every \$400.00 raised.) In addition to this the State will also pay the cost of supervision of the Town work.

6. To see if the Town will take any action in regard to fixing salaries of Town Officers.

7. To see if the Town will vote to raise and appropriate \$354.50 (in addition to \$709.00 required by law), for State Aid Construction in order to secure State Aid of \$1,063.00.

8. To see if the Town will vote to raise and appropriate \$2,500.00 for Trunk Line Maintenance (the State will furnish a like sum).

9. To see if the Town will vote to raise and appropriate \$1,200.00 for State Aid Maintenance (the State will furnish a like sum).

10. Upon petition of 28 voters:

To see if the Town will vote to build or reconstruct in conjunction with the State Highway Department, the highway leading from Rowes' Corner to South Hampton line (near the Gould place), and from the South Hampton line (near Mountain House Hill so-called), to the Amesbury line and raise and make necessary appropriation for the same.

11. Upon petition of 29 voters:

To see if the Town will vote to raise and appropriate \$500.00 for repairing the road leading from Nichols Corner through Whittier Street and continuing to Country Pond bridge.

12. Upon petition of 12 voters:

To see if the Town will vote to raise and appropriate the sum of \$500.00 for repairing Merrimac Road so-called, extending from Sargent's Corner to the State line.

13. Upon petition of 15 voters:

To see if the Town will vote to install street lights on the road from Ingalls' Corner to the East Kingston line.

Lights to be located as follows:—

One light near top of Hobbs' Hill.

One light on north slope of Hobbs' Hill.

One light at Potties' Corner.

One light north, about as far as the shop on the W. L. Currier place. And appropriate money for the same.

14. Upon petition of 8 voters:

To see if the Town will vote to install such street lights as are needed on the road leading from Sargent's Corner to Fleming's Corner. And appropriate money for the same.

15. Upon petition of 21 voters:

To see if the Town will vote to install five street lights from Fleming's Corner to residence of Samuel Baker. Appropriate money for the same.

16. Upon petition of 19 voters:

To see if the Town will vote to install four street lights on Railroad Avenue to the residence of John Maroney, and raise and appropriate money for same.

17. To see if the Town will vote to buy 300 feet of Fire Hose and raise and appropriate money for same.

18. Upon petition of 12 voters:

To see if the Town will vote to exempt from taxes the hall owned by the Granite State Grange at Newton Junction on the grounds that this building is used for the benefit of the community without charge for church or school activities.

19. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 20th day of February, A. D., 1928.

LEON G. INGALLS,
WILLIAM K. DAVIS,
EARLE B. NICHOLS,
Selectmen of Newton.

A true copy of Warrant. Attest:

REPORT OF HEALTH OFFICER

For Year Ending December 31, 1927

There have been reported during the year the following cases of communicable diseases:

Scarlet Fever	5
Measles	2
Typhoid Fever	1
Tuberculosis	2
Pneumonia	2
Whooping Cough	26
German Measles	1

There were undoubtedly several more cases of whooping cough and measles, where no physician was in attendance, that were not reported. I did not cause rigid enforcement of the compulsory vaccination law at the beginning of the Fall Term of school as at that time Poliomyelitis or Infantile Paralysis was raging in near vicinity and considered vaccination inadvisable then, although many parents caused their children to be treated with vaccine before attending school. However, at the opening of the Spring Term all not excused by certificate of physician as unfit subject will be required under the State Law, to be vaccinated before being allowed to attend schools in this town.

HENRY L. BURBECK,
Health Officer for Newton,
N. H. State Board of Health.

**Newton Junction, Child Health Conference, State
Board of Health**

A Child Health Conference was held in Newton Junction, Aug. 2, 1927. There were 20 children weighed, measured and given a complete physical examination. The following defects were found:

Slightly enlarged tonsils	3
Teeth defective	4
Umbilical hernia	1

The following corrections have been made since 1926:

Teeth filled	1
Umbilical hernia	1
Bow legs	1
Genitalia	2
Ear	1
Tonsils enlarged	1

REPORT OF SCHOOL BOARD

To the Citizens of Newton, N. H.:

The school Board submits its report for 1926-1927:

We are pleased that we can say again this year that our schools have still maintained the standard required by State laws.

Our superintendent, W. J. Nelson, is carrying on the work in a very efficient manner, ever striving to improve our schools.

With Superintendent Nelson we have devoted time and thought in preparing the budget for expenditures for the year 1928-1929. Conditions have arisen that make it necessary to increase some items in the budget.

Much time has been spent in devising ways and means to relieve the crowded condition in the Village Primary school. Feb. 15th a member of the State Board of Education visited Newton the second time and thoroughly studied the situation. He met with us and advised action the State would approve. It is hoped the change will prove satisfactory to all.

The Junction school building is in great need of shingling on both sides.

It was with regret we accepted Mrs. Edna E. Carlton's resignation as teacher at the Junction at the close of the February vacation. Miss Lowe was secured as substitute for remainder of year.

We wish to thank our Superintendent, Teachers and School Nurse for their painstaking, faithful work, also Parents and Citizens who have co-oper-

ated with us for the success of our schools. We realize that it is in our schools the foundation for future usefulness is being laid, and that the boys and girls of today will be the men and women of tomorrow.

Respectfully submitted,

ELVIRA R. DART,
LOTTIE M. GERMUNDSON,
GRACE B. OSBORNE.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Newton:

It gives me pleasure to submit my first annual report of the Schools of Newton.

The school year begins July 1 and ends June 30. The year with which this report deals ended in June 1927, and as I took up the work in March my report will be limited in some respects. I have found the schools in good condition and have tried to continue the work so well begun by your former Superintendent.

There were 138 different pupils enrolled in the schools last year. This is a gain of 5 over the preceeding year. The attendance averaged 93.9 per cent of the membership. The average for the state for this period was 94.57; 13 pupils completed the work of the 8th grade.

No one realizes better than I that a Superintendent's first year in a district should be a time of getting acquainted, rather than a period of radical changes. With this in mind, I have tried to become familiar with matters pertaining to schools and to follow as closely as possible the plans already worked out.

Various standardized tests have been used to check school progress. These tests show that our schools as a whole are up to the standard attainment of schools in similar communities over the country. The fundamental process,—reading, arithmetic, spelling and writing, have been thoroughly taught and results checked by means of tests.

The general aim of education is to train all

children in those qualities of life and character which will make them good and efficient citizens in the community, state and nation. The objectives of education in a democracy have been summarized by a committee of American teachers under seven headings:

1. Command of Fundamental Process.
2. Health.
3. Worthy Home Membership.
4. Training for Vocation.
5. Training for Citizenship.
6. Worthy Use of Leisure.
7. Ethical Character.

The teachers have co-operated with the Superintendent in an attempt in unifying the work of the schools in accomplishing these objectives. It is our purpose to make our educational activities a means of achieving these purposes. For each individual pupil the work of education may be considered as directed toward developing purpose and personality for the good of the pupil and the society in which he lives. Thus we may hope that our school work will result in happy serviceable lives.

The supervisory activities have been expended in class-room visits, follow-up interviews, personal conferences and frequent school inspections. The two most important steps in improving schools are to improve the teaching and increase the actual attendance.

A statement by our School Nurse is printed with this report. Parents should take notice of reports sent home informing them of physical defects, and have these defects corrected. No pupil can do the mental work of the school properly, if physically handicapped.

The village primary room is over crowded, and we hope to relieve this condition at an early date.

I believe Newton should equip its schools with Chemical toilets. The sanitary conditions at the village school are the worst, so I feel this school should be taken first. South Hampton installed such toilets last summer and they are very satisfactory. The cost would not be great each year.

For the teachers, the School Board and myself, we express the common desire that a large number of parents and friends visit the school. If parents will come to see their children at work, what they are doing, what they are given to do with and how their work is directed, it will give them first hand information concerning our schools.

In closing I wish to express my appreciation of the courtesy and co-operation of the School Board, the teachers and the community.

Respectfully submitted,

WILLIAM J. NELSON,
Superintendent.
